EWING HIGH SCHOOL

Where it all began

A MESSAGE FROM YOUR CHAIR

My dear classmates,

Welcome to our 30th Reunion! I am so happy to be able to do this again. A lot has happened over the last ten years.

For those who may not know, I had a heart transplant in 2019 after reversing my heart condition. So to be in a place of health, and to spearhead this reunion with the help of some of our awesome classmates, is a miracle in itself.

I love that we are coming together again to make more memories for the Ewing High School Class of 1996.

I pray and hope you all enjoy the night.

With all my love,

Natasha Pennant

Chair, EHS Class of 1996 Reunion Committee

FROM YOUR COMMITTEE

Ikecia Mapp

Co-Chair / Treasurer

Working on the EHS C/O 1996 30th Reunion Committee has been an invaluable experience. The last six months have been filled with building community, bringing classmates together and busting through social media platforms with fun videos, nostalgic photos and more. Sharpening event planning skills and starting projects from the ground up has also been really rewarding. This committee didn't just work together. We came together for something more, shared parts of our journeys we don't get to see on social media and saw the behind the scenes of making an event like this possible for our friends. We discovered that this is more than just a 30th class reunion. It is a chance to come home to celebrate with people that know us, in a town that grew us before we venture back out into the world that awaits us.

LeAnn Thompson

Committee Member

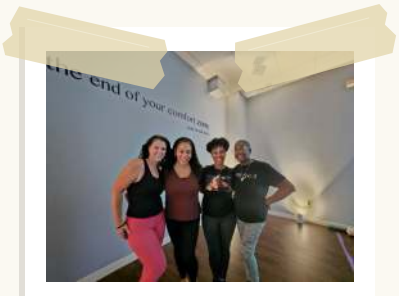

I had a blast working on EHS 30th Reunion. The ladies on the committee are so graceful and encouraging. Working with this committee has helped me develop a hidden skill, such as creating a nostalgic atmosphere. Looking through my photos and videos has brought back memories I could have never imagined. I could not wait to share them with my classmates. I hope my memories warmed your hearts just as much as they warmed mine. I'm so blessed to celebrate this reunion with such wonderful people, The Class of 1996.

Dana Friedman

Committee Member

I truly believe everything happens for a reason... including putting out there that I'd be happy to help with plans for the reunion. This experience has been so rewarding and has reconnected me with people I haven't seen in 30 years and I'm so grateful to have been a part of this committee. Both of my children have recently graduated from Ewing High School so it's been such a cool experience to come full circle and help with this reunion. You know what they say... “Once a Blue Devil, always a Blue Devil.”

THE SOUNDTRACK TO OUR REUNION

DJ Patrice McBride

PHILADELPHIA-BORN. JERSEY-BRED.

A lifetime of music. A night to remember.

Philadelphia-born and Jersey-bred, Patrice McBride rocked his first party at just 13. Formerly known as DJ Manik, he grew up in a family of musicians and developed the musical depth and cross-genre instincts that now define his high-energy sets.

A fixture in Philadelphia and Atlantic City nightlife, Patrice has played clubs, corporate events and private celebrations around the country, with residencies in Atlantic City and New York City and a past residency at Bond at The Cosmopolitan in Las Vegas. His clients have included Yelp, Saks Fifth Avenue, Neiman Marcus and the Philadelphia Eagles.

His work has been featured in DJ Times, Essence Magazine and Philadelphia Weekly. Named Best DJ in the 2019 AC Weekly Nightlife Awards, he is also known for original productions, remixes and DJ edits. Tonight, we are thrilled to have Patrice bring the music to our 30th Reunion.
